What's New for Spring Quarter 2002

CHECK YOUR CLASS SCHEDULE ON MyUW

The rooms and buildings assigned to course sections may change between the time you register and the beginning of the quarter. Be sure to check MyUW before the quarter begins to check the location of the courses on your schedule.

CHANGING YOUR GRADE OPTION TO SATISFACTORY/NOT SATISFACTORY

You may make changes to or from S/NS grading through the end of the 7th week of the quarter (May 19 for spring 2002). No changes are accepted after this date. Be sure to check your program requirements to determine if a grade of Satisfactory can count toward your degree requirements. For undergraduate students, courses with this grade are only counted for general electives. Graduate students must check with their graduate program adviser or Supervisory Committee Chairperson before making this selection.

When you select a course for this grading option, the system annotates your registration record. The instructor submits a regular decimal grade and the registration system converts the grade to S or NS when the transcript record is created for that quarter. The instructor is not notified that you have chosen this grading method. Undergraduates must earn a minimum grade of 2.0 to earn a grade of Satisfactory and graduates must earn a minimum grade of 2.7 to earn a Satisfactory grade.

Credit/No Credit grading is not the same as S/NS. Courses are offered by the department as Credit/No Credit and decimal grades are not used in the grading process.

CHANGES IN TUITION AND REGISTRATION PROCESSES

TUITION IS DUE IN FULL BY THE TUITION DUE DATE OF APRIL 19, 2002 AND REGISTRATIONS ARE NO LONGER AUTOMATICALLY CANCELLED. Effective with winter 2002, your registration is not automatically cancelled if you do not pay your tuition. If you do not plan to continue attending for the quarter, you must officially withdraw (drop all your courses). Failure to withdraw by the deadline (June 7) will result in failing grades for the quarter. You will continue to owe the full tuition plus additional penalties. In addition, the late payment fee for balances over \$150 has been raised \$120. Until you pay your outstanding balance in full, you will be prevented from registering for the next quarter and obtaining a copy of your transcript. Check with Student Fiscal Services in 129 Schmitz Hall for complete details about payment options and late penalties or see the Finances section of the Student Guide at www.washington.edu/student/sfs/sao/tuition/.

APPLICATION FOR GRADUATION IN JUNE

The deadline to apply for spring quarter graduation is April 19, 2002. The annual Commencement Exercises are scheduled for June 15. Students who plan to graduate at the end of summer quarter must apply for graduation by April 19 also in order to participate in commencement this year. Information is available at www.washington.edu/students/reg/grad.html#q1.

What's New for Spring 2002

Registration Eligibility and Periods

REGISTRATION ELIGIBILITY

ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification (e.g., undergraduate, post-baccalaureate (fifth-year), graduate). Once a student earns a baccalaureate degree, he or she must apply for admission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are (1) students under disciplinary action, (2) students with a registration Hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

You will not be eligible to register for spring quarter 2002 if you have an outstanding balance on your tuition and fee account. Contact Student Fiscal Services and pay any fees due in order to register.

UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER-OFF ELIGIBILITY)

Subject to college, school, and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without submitting applications as returning students. For example, a student completing autumn quarter may, without registering for or completing winter quarter, register during Registration Period I for spring quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline. An Offer of Admission is sent to eligible students. Payment of the \$100 Enrollment Confirmation Deposit is required to hold a space for returning students.

GRADUATE STUDENTS

The Quarter-Off Eligibility Policy is not available to graduate students. Graduate students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall, or drop all courses on MyUW prior to the first day of the quarter (April 1). On-Leave graduate students returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). If you withdraw after the quarter begins, you may register for the next quarter during Registration Period I. See GRADING, WITHDRAWAL & ON-LEAVE (page 10) for more information.

NEW STUDENTS

New students need to create a UW NetID before registering on MyUW. (See UW NETID on page 8 for more information.) If you use STAR to register or conduct other registration changes to your record, you need to call STAR and create a personal Private Access Code (PAC) any time after paying the Enrollment Confirmation Deposit. To create your own PAC, use the "initial" PAC that was printed on your Registration Notice that you received in the mail. Access to STAR requires students to create their own PAC.

REGISTRATION PERIODS

REGISTRATION

You may begin your registration once Registration Period I has begun by completing the review of your address information and Insurance/Optional Charges section of Registration on MyUW or sections I and II of the STAR Worksheet. You are eligible to register for courses on or after your priority date (see table below). If you do not complete these steps before the first day of the quarter and do not register for courses until the first day, you will be charged a \$25 Late Registration Fee.

REGISTRATION HOURS

MyUW and STAR are available for registration Monday through Friday, 6:00 a.m. to 12:00 midnight; Saturday, 9:00 a.m. to 12:00 midnight; and Sunday and holidays, 10:00 a.m. to 12:00 midnight.

The Registration Office, 225 Schmitz Hall, is open for transactions not available on MyUW or STAR, Monday-Friday, 8:00 a.m. to 5:00 p.m.

| Access students and University staff using their exemption status register beginning April 3. Washington state employees using their exemption status register beginning April 4. | | |

PERIOD I – FEBRUARY 22–MARCH 10

This period is open only for continuing students currently enrolled winter or for students who completed autumn quarter 2001.

Priority registration dates are based on your completed credits, your winter quarter 2002 credits as of February 20, and the last digit of your student number. The student number priority is changed each quarter so that all students have the earliest possible priority every other quarter. One half of the available spaces in each undergraduate course are reserved for day two of each priority period. You may register and make changes to your schedule on MyUW or STAR on or after your registration date.

GRADUATING SENIOR PRIORITY

If you are a graduating senior or post-baccalaureate student with a degree application on file in the Graduation and Academic Records Office, you may register on the first day of Period I for your final two quarters. If you must postpone your graduation, you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

PERIOD II – MARCH 11–MARCH 31

This period is primarily for newly admitted students and returning former students. Advising/registration notices of dates are mailed to newly admitted or readmitted students. You may register on or after your date. Continuing students may register any day during this period.

PERIOD III – APRIL 1–APRIL 7

This period is open to all students for adds and drops. Courses dropped during this period will not appear on your transcript. You may register for courses at the Bothell and Tacoma campuses beginning this period. (See CROSS-CAMPUS REGISTRATION, page 9.)

LATE ADD PERIOD – APRIL 8–APRIL 21

This period is open to all students. All courses added during this period require an Entry Code or Faculty Number. A \$20.00 change-of-Registration Service fee will be charged for all registration changes made on a single day, in addition to any tuition increases or forfeitures. The registration system closes at 6 p.m., Friday, April 12, and remains closed on Saturday, April 13. The deadline to add courses is midnight Sunday, April 21.

UNRESTRICTED DROP PERIOD – APRIL 8–APRIL 14

This period is open to all students. Courses dropped during this period will not appear on your transcript but are subject to a \$20 Change of Registration Service fee and tuition forfeiture.

LATE COURSE DROP PERIOD (ANNUAL DROP) – APRIL 15–MAY 19

Students may drop one course each academic year (autumn through summer quarters) after the 14th calendar day of a quarter through the 7th week. For spring quarter 2002 a course dropped after April 14 will count as your annual drop. If used this quarter no additional courses may be dropped after the 14th calendar day until autumn quarter 2002. A "W" and a number indicating the week you dropped the course will follow the course title on your academic transcript. A \$20 Change of Registration Service fee and tuition forfeiture will be charged. These optional drops are not cumulative and can only be used within the current academic year.

Registration

REGISTRATION

Registration can be done from any location with Internet access to the Web or from a touchtone phone. Computers are available in the various computer labs on campus and in Schmitz Hall. Registration via the Web is through the Registration option of Student Personal Services on MyUW. Phone registration is through STAR (Student Telephone Assisted Registration). If you use STAR to register, please follow the directions on the STAR Worksheet on the page opposite.

The registration system is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. Weekday hours are 6:00 a.m. to 12:00 midnight. Weekend hours are 9:00 a.m. to 12:00 midnight on Saturdays and 10:00 a.m. to 12:00 midnight on Sundays.

SPECIAL FEATURES

ADD AND DROP CODES

Some courses require a special five-digit code that is available through the department offering the course. See ENTRY CODES and FACULTY NUMBERS on page 9 for more information on using these codes.

ADDING AND DROPPING COURSES

Courses may be added during Periods I, II, III, and the Late Add Period. Beginning with the Late Add Period on April 8, an add code is required to add any course and a \$20 Change of Registration Service fee is charged. This is in addition to any tuition. Always check your balance after adding a course. Sunday, April 21 (until midnight), is the last day to add a course for spring quarter 2002.

You have unlimited drops through April 14 without entry on your transcript. The registration system closes at 6:00 p.m. on Friday, April 12, and remains closed on Saturday, April 13. Beginning April 8, a Change of Registration Service fee is charged to drop a course. This is in addition to any tuition forfeiture. Always check your balance after dropping a course.

If you use your annual drop that is available for that academic year, a Change of Registration Service fee will be charged.

See CHANGES IN REGISTRATION (page 9) for additional information on adding and dropping courses.

Registration

ALTERNATE SECTIONS

The registration system lists alternate sections if the requested sections are closed or canceled.

CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES

If you wish to change your insurance plan you may do so on MyUW or STAR, but no later than April 7. Optional charges for WashPIRG and Affordable Tuition Now! may be changed on MyUW or STAR after your initial selection through the tuition due date. If you make the changes by STAR, please refer to the STAR Worksheet in this Time Schedule for instructions.

CLOSED COURSE SECTIONS

If the section requested is closed, you will be informed by the registration system of other open sections (including new sections added after the publication of the quarterly Time Schedule). You may then select an alternate section to be added to your schedule. To overload a closed section see OVERLOAD GUIDELINES on page 9.

CONFIRMED REGISTRATION

You may confirm your registration schedule through MyUW or by calling STAR and using the List Schedule transaction (L#). This listing includes building and classroom locations.

COURSE AVAILABILITY

Check the Time Schedule listings on the Web to determine availability of spaces in particular course sections, to help plan your registration.

PREREQUISITES

Certain courses require that you have prerequisites in order to add that course to your schedule. These courses are identified by a P symbol in the course listing section of the Time Schedule. Prerequisites may be one or more courses, a minimum test score, or a minimum grade in a prerequisite course. You may add a course section even if you have not completed the course prerequisite provided you are currently registered for the prerequisite course. However, departments may elect to have the course that required the prerequisite dropped from your schedule if you do not satisfactorily complete the prerequisite course. Courses subject to cancellation are identified by the PX symbol in the Time Schedule. If you do not satisfactorily complete the prerequisite course, the course that required the prerequisite will be dropped from your schedule no later than the third calendar day of the quarter.

PRIVATE ACCESS CODE (PAC)

If you wish to make transactions via STAR, you must have selected your Private Access Code (PAC). If you have been admitted for the current quarter, or if you have never changed your PAC from the one that was sent on your Registration Notice, then you will need to select a new PAC when you call STAR. Although you may continue to use the initial PAC to make transactions on MyUW, you will have additional security for your education records if you select a new PAC known only to you.

The first time you ever call STAR, enter your initial Private Access Code (which is provided in your Registration Notice) when STAR asks you to enter a Private Access Code. STAR will then prompt you to select a new Private Access Code or PAC of 4 to 6 digits that you can easily remember. STAR will not accept zero as the first number in your PAC, nor will it accept consecutive or repetitive numbers. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall, or call (206) 543-8580 to reset your PAC.

REGISTRATION QUESTIONS

If you have questions regarding registration, please call the Registration Office, (206) 543-8580, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

STUDENT ACCOUNT AND AID STATUS

Check MyUW or STAR to obtain your current student account balance, list a summary of disbursed financial aid and aid check availability, and list the latest recorded student account payment.

UW NetID

In order to access MyUW to register and make other inquiries or transactions, you first need to create your UW NetID. Instructions are available at uwnetid.washington.edu/newid. You will need to enter your last name, date of birth, student number, and PAC. Creating your UW NetID is also the first step in setting up an email account.

Additional Registration Information

ADDRESS CHANGES

Students are responsible for keeping a current postal and university email address on file with the University. You may change your address through MyUW (myuw.washington.edu). Once updated, you will receive an email message confirming your revised address information. You may also call (206) 543-3868 to change your address information.

CHANGES IN REGISTRATION

A \$20 Change of Registration Service fee is assessed for any number of add, drop, or change transactions (including change of grading option) made during a given day beginning April 8. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops, or changes.

There is no charge for changes made in Registration Periods I, II, or III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. A downloadable form is available from the Web at depts.washington.edu/registrar/forms/. The Office of the Registrar will notify you of the decision. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through MyUW or STAR since the instructor will assign a failing grade. You may attend a University course in which you have not been officially registered during the first two weeks of the quarter.

After April 12, an instructor may allow you to attend class only if you are registered. A faculty member may attend informally with the approval of the instructor.

CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. The limit is 30 credits per quarter.

CROSS-CAMPUS REGISTRATION

Students of junior standing or higher have the option to take courses at the Bothell and Tacoma campuses. You must have earned a minimum of 25 credits at the University (from all campuses) before using this option. Beginning Registration Period III, you may register for courses at the other campuses. You may earn a maximum of 35 credits at the other campuses. These courses will count toward the minimum number of credits needed for your degree. The courses appear on your official transcript and are calculated in your GPA. Students can earn cross-campus minors and declare these minors at the time of graduation. Minors at the other campuses cannot be declared prior to application for graduation.

Additional Registration Information

DAY/EVENING CROSS REGISTRATION

Students admitted to evening majors may register for day courses (non-YA sections) beginning Period III. Students admitted to day majors may register for evening courses (YA sections) beginning Period II.

ENTRY CODES

Entry codes are five-digit random numbers issued to you by academic departments as authorization to add or drop restricted course sections. Entry codes are not transferable.

Courses requiring add codes are designated with the > symbol to the left of the schedule line number (SLN) in the Time Schedule. All courses require add codes beginning April 8.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Departments give the location for obtaining entry codes either before the course listings or following the title of the course. Contact the department offering the course if the location for obtaining one is not identified in the Time Schedule (campus operator – (206) 543-2100).

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of valid codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

Some courses require a drop code in order to be dropped. Obtain the code from the department offering the course.

FACULTY NUMBERS

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register.

FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full-time or 6–11 credits for half-time if you are an undergraduate or professional student. The Graduate School requires 10 credits for full-time status and 5–9 credits for half-time status. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section is limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- a. Through April 7, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning April 8, add codes are required to add any course. The registration system accepts course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- b. No course adds are accepted after April 21.

REGISTRATION ASSISTANCE

If you are having problems registering, call the Registration Office at (206) 543-8580 and a staff member will assist you. If you work during the

day or are incapacitated and need assistance with registration transactions not available on MyUW or STAR, please call the supervisor of the Registration Office at (206) 543-8580 to make arrangements for assistance.

REGISTRATION CONFIRMATION

Registration Confirmations for students who registered by March 12 will be mailed beginning March 13. If you register after March 12, your Registration Confirmation will be mailed in two working days. Use MyUW or call (206) 543-3868 to record your correct address. Confirmation will not be mailed outside the United States if you register after March 12, and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days (valid picture ID is required).

Always confirm your registration schedule on MyUW or by calling STAR and using the List Schedule transaction (L #). This listing includes building and classroom locations.

REGISTRATION HOLDS

If you have a Hold on your registration, you will not be permitted to register, add courses, or obtain a replacement U-PASS until the hold has been released by the office that placed it. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold and where to go to get it released. However, you may make other registration transactions.

The University will accept but not process a Returning Student Reenrollment Application for any student who has either a financial or academic hold on their transcript or registration. (See the RETURNING STUDENTS section below for more information.)

REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course in the sequence (102) for the succeeding quarter.

REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

RETURNING STUDENTS

A returning undergraduate or professional student who has not been enrolled for more than one quarter (not including summer quarter), or a graduate student returning from official On-Leave status is required to complete and file a Returning Former Student Reenrollment Application by the application deadline. A student is eligible to apply as a returning former student only when returning in the same classification as when previously enrolled. Students applying for a new category (e.g. postbaccalaureate, professional, or graduate) must complete the appropriate application for that category. A returning undergraduate or professional student must include a \$35 application fee with the application. Graduate students returning from on-leave status are not charged the \$35 application fee. The closing dates for returning

Grading, Withdrawal, On-Leave

former student applications are: autumn, July 1; winter, November 1; spring, February 1; summer, June 1.

The University will accept but not process a returning former student reenrollment application for any student who has either a financial or academic hold on their transcript or registration. Once the hold has been cleared, the application will be processed. A returning student must pay a nonrefundable Enrollment Confirmation Deposit of \$100 by the date indicated in the offer of readmission.

SERVICE AND RESEARCH CREDIT

Some course sections have symbols identifying them as "Service Learning" (S) or "Undergraduate Research-Intensive" (R). Service-learning courses incorporate opportunities for students to participate in meaningful community service with organizations and projects. Undergraduate research-intensive courses use inquiry-based learning as a centerpiece of the education.

TIME CONFLICT

You may not register on MyUW or STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, use MyUW registration to drop the first and add the second in a single transaction. The first course will be dropped only if the second course is available and you are added. If you use STAR, you must drop the first course before adding the second course.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the verbal approval of both instructors to add a course that conflicts one hour a week or less; Instructor signatures on a Registration Transaction Form are required for courses that conflict more than one hour a week.

UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information or see Satisfactory Progress on the UW homepage at www.washington.edu/students/reg/reqopt.html.

VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when you register. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall after April 14. The deadline to make these changes is Friday, June 7. A \$20 Change of Registration Service fee will be assessed beginning April 8.

Grading, Withdrawal, & On-Leave Information

GRADING

AUDITORS

You must first register and then go in person to the Registration Office, 225 Schmitz Hall, to select the audit grade option. You may select the audit option through April 12. A \$20 Change of Registration Service fee is charged beginning April 8. Attendance in courses as an auditor is based on the consent of the instructor and space availability. You may not audit a course if you have not completed a prerequisite. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. Audited courses are not recorded on your permanent record.

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses are not listed on your transcript, they will be included in the billing on the fee statement. Audit credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after April 12.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

DROPPING COURSES

You may drop without restriction through April 14. No record of the dropped course(s) will be recorded on your transcript. A \$20 Change of Registration Service fee and tuition forfeiture will be charged after April 7.

You may drop one course each academic year (defined as September through August) after the 14th calendar day of the quarter but no later than the 7th week of the quarter. The course will be recorded on your transcript followed by a "W" and the week designator. For example, if you drop a course in week 5 the notation will be W5. (See LATE COURSE DROP PERIOD on page 6 for more information.)

You may also petition for a hardship withdrawal following the 14th calendar day if appropriate. (See HARDSHIP WITHDRAWAL on this page for information.)

GRADE APPEAL PROCEDURE

A student who believes he or she has been improperly graded should first discuss the matter with the instructor before the end of the following academic quarter (not including summer quarter). If the student is not satisfied with the instructor's explanation, the student may submit a written appeal to the chair of the department, or in a nondenpartmental college, to the dean, with a copy of the appeal also sent to the instructor. Within ten calendar days, the chair, or dean, consults with the instructor to ensure that the evaluation of the student's performance has not been arbitrary or capricious. Should the chair believe the instructor's conduct to be arbitrary or capricious and the instructor declines to revise the grade, the chair (or the dean in a nondenpartmentalized school or college), with the approval of the voting members of his or her faculty, shall appoint an appropriate member, or members, of the faculty of that department to evaluate the performance of the student and assign a grade. The dean and Provost should be informed of this action.

Once a student submits a written appeal, this document and all subsequent actions on this appeal are recorded in written form for deposit in a department or college file.

For more information, see the University of Washington Handbook, volume 4, part III, chapter 11, section 2, "Change of Grade."

INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as the Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. An instructor may request an extension of the incomplete-removal deadline for up to three additional quarters. The original Incomplete grade is not removed from the transcript.

SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a satisfactory/not satisfactory (S/NS) basis.

You may select this option when registering for the course on MyUW. If you register or select this option through STAR, you will need to register for the course first and then select the Change Grade Option to elect the S/NS grading option. The S/NS grade option can be elected through May 19. A \$20 Change of Registration Service fee is charged beginning April 8.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above, you will receive a grade of "S," while 2.6 or below are recorded as NS. With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

WITHDRAWAL

WITHDRAWAL FOR THE QUARTER

Dropping all courses. It is your responsibility to withdraw if you are unable to attend for the quarter. You may withdraw from the quarter through the last day of instruction, which is June 7 for spring quarter 2002. You may withdraw from the quarter by dropping all your courses on MyUW through May 19. After this date, quarterly withdrawals must be done through the Registration Office. Complete withdrawal can be done on STAR through April 12. There is a \$20 Change of Registration Service fee charged for these transactions. You may also write to or withdraw in person at the Registration Office, 225 Schmitz Hall, University of Washington, Box 355850, Seattle, Washington, 98195-5850. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after June 7.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office, the date that the last class is dropped on STAR, or the postmark date for withdrawals received by mail (see TUITION FORFEITURE).

Tuition Exemption & Access

page 14). Withdrawals from April 8 to April 30 are subject to 50% tuition forfeiture. If you withdraw prior to April 8 you will owe a \$75 U-PASS fee unless you return your U-PASS to Student Fiscal Services by the tuition due date (April 19). If you pay the \$75 fee and then lose your U-PASS, you are not eligible to purchase a replacement U-PASS sticker. Withdrawals after April 30 result in full tuition forfeiture.

Review the Registration Eligibility section of the Time Schedule if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through April 14) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (summer quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of spring quarter and autumn quarter, you must reapply as a

returning former student for winter quarter.

HARDSHIP WITHDRAWAL

You may submit a written petition to the Office of the Registrar for a hardship withdrawal after the 14th calendar day of the quarter. Petitions are granted if, in the judgment of the Registrar, you were unable to complete the course due to physical or mental debilitation or other unusual or extenuating circumstances, beyond your control, which have arisen after the 14th calendar day of the quarter. Petitions must be submitted promptly after the occurrence of the event and be accompanied by documentation. Approved hardship withdrawals will be entered on the transcript with a grade of HW. The \$20 Change of Registration Service fee will be assessed, plus any tuition forfeiture.

If you withdraw from the quarter based on reasons of hardship after the last day of instruction, the same petition process must be followed. If the withdrawal is approved, the courses will show a notation of "W" and the transcript will show withdrawn.

A hardship will not be granted for courses after you have been awarded your degree.

WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction (May 19) and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or (academic) credit and no refund. You must submit a copy of your military orders with your request to withdraw. Please consult with the Office of the Registrar for complete details.

GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your department Graduate Program Coordinator sign a Petition for On-Leave Status Card, then take it to the Registration Office by 5:00 p.m., April 5. The Registration Office staff will issue you an On-Leave Graduate Student Card upon payment of a \$35 non-refundable fee. This card will give you access to the libraries. If you have registered for spring quarter 2002 and plan to go on-leave, you must officially withdraw prior to April 1, before the on-leave status will be granted.

Tuition Exemptions & Access Programs

TUITION EXEMPTION PROGRAM

Eligible University of Washington and State of Washington employees and members of the Washington National Guard may register for and receive a tuition exemption for up to 6 credits each quarter provided they register on a space-available basis. Eligible participants registering on a space-available basis will pay a per credit charge for the credits taken over 6. All participants in the tuition exemption program will be assessed a quarterly \$30 registration fee and must pay other applicable fees including the Technology Fee. You may not register for any course prior to your assigned space-available registration day (April 3 for university staff, April 4 for other state employees) or the exemption will be canceled or not accepted. If you are in a matriculated status and desire a higher registration priority to facilitate course enrollment, you may register early and pay regular tuition rates.

Space availability applies to degree programs as well as courses, and fully enrolled programs may choose not to accept or enroll you if you are using the tuition exemption. To be eligible you must be:

- ◆ University of Washington permanent classified (WPRB) or contract classified employees with six months or more of continuous service prior to the first day of the quarter,
- ◆ University of Washington faculty or professional staff employed on a half-time basis or more on the first day of the quarter of enrollment,
- ◆ Non-University of Washington permanent classified or contract state employees employed half-time or more,
- ◆ Permanent classified and exempt paraprofessional employees of technical colleges employed half-time or more,
- ◆ Nonacademic employees and members of the faculties and instructional staff employed half-time or more at state institutions of higher education other than the University of Washington, or
- ◆ Members of the Washington National Guard.

You must hold this status on the day the exemption form is approved, and must be in that status on the first day of the quarter for which the tuition exemption is granted. The University tuition exemption does not cover ENGL 100, 101,

102, MATH 098, UW Extension or Distance Learning courses, graduate-level independent study courses numbered 600, 700, and 800, or any self-sustaining courses. If you are nonmatriculated and admitted to enroll on a space-available, tuition-exempted basis, you may register for classes only when using the exemption and only after the exemption request form has been submitted or processed. If you are matriculated, you are permitted to register without the exemption, but full tuition and fees will be charged.

With the Instructor's permission, and if you are planning to register on a space-available basis, you may begin attending classes the first day of the quarter if space is available. Registration, however, will not be permitted until your assigned space-available registration day.

You must apply for admission by the published application deadlines and be accepted to a University program. Applications may be filed with the Office of Undergraduate Admissions, 320 Schmitz Hall, or the Office of Graduate Admissions, 301 Loew Hall. Former UW students returning in the same classification or as nonmatriculated students may apply at the Registration Office, 225 Schmitz Hall.

A NOTE OF CAUTION: UW employees pursuing graduate programs or graduate-level course work will have to claim the amount of the quarterly exemption as income on their federal income tax return unless the employer has certified that the program or course work is job related. If it is determined that the course is not job related, the value of the exemption will be considered income and subject to withholding.

TUITION EXEMPTION FORMS

Tuition exemption forms are available for downloading at depts.washington.edu/registrar/forms/, or you can contact your departmental office, the Registration Office, (206) 543-8580, 225 Schmitz Hall, or UW Training and Development, (206) 543-1957.

REGISTRATION AND FEES

A separate tuition exemption form must be submitted each quarter. Course enrollment is not permitted prior to the appropriate space-available eligibility date (April 3 for university staff, April 4 for state employees). For spring quarter 2002, a \$25 late registration fee will be assessed if you initially register for the quarter on or after Monday, April 8,

and a \$20 fee will be charged for all registration changes made on a single day. You will be billed these fees, and other applicable fees, plus a \$30 registration fee if you have registered for a course. If you register before your assigned tuition exemption registration date you will not be permitted to convert to the tuition exemption program and will be required to pay regular tuition for all registered credits.

All participants in the Tuition Exemption Program must pay the quarterly Technology Fee. Registration for 6 credits or fewer does not entitle you to student services funded by the Services and Activities Fee, such as those available from the Hall Health Center and the Intramural Activities Building. Additionally, you are not eligible to purchase tickets to athletic events at student rates. UW faculty/staff identification cards may be used for library services. Participating Washington state employees and members of the Washington National Guard may obtain ID cards for library services from the Student ID Center, 225 Schmitz Hall, and a U-PASS sticker for \$33 from the Registration Office, 225 Schmitz Hall, after registering for a class. Deadlines and registration dates are listed below for spring quarter 2001.

UW EMPLOYEES

Tuesday, March 11 – Tuition exemption request form due to Registration, 225 Schmitz Hall, Box 355850.

Wednesday, April 3 – Registration begins. Open from 6:00 a.m. until 12:00 midnight.

Friday, April 19 – \$30 registration plus prorated technology fee due. A registration fee is billed if a student registers for a course. The fee is non-refundable, even if a student withdraws during the first week of the quarter.

WASHINGTON STATE EMPLOYEES AND MEMBERS OF THE WASHINGTON NATIONAL GUARD

Tuesday, March 11 – Tuition exemption request form due to Registration, 225 Schmitz Hall, Box 355850.

Thursday, April 4 – Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, April 19 – \$30 registration plus prorated technology fee due. A registration fee is billed if a student registers for a course. The fee is non-refundable, even if a student withdraws during the first week of the quarter.

Tuition and Billing Information

ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an Access student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with the > symbol require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, 225 Schmitz Hall. A \$5 registration fee and a prorated technology fee will be billed if registration in a course(s) is completed. The payment will be

due April 19. Since you are auditing the course(s), you do not receive credit and are not expected to do any class work, participate in discussions, or take examinations. Your registration may be canceled at the discretion of the instructor. You may register for all courses except ENGL 100, 101, 102, MATH 098, UW Extension, Distance Learning, studio courses, laboratory courses, and honors sections. You may register in 500-level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained.

You will be limited to two courses per quarter. For additional information about this program or to request a registration form, you may phone the Registration Office, (206) 543-8580, between 8 a.m. and 5 p.m., weekdays.

REGISTERING

Registration is done in person at the Registration Office, 225 Schmitz Hall, beginning Wednesday, April 3, 8 a.m. to 5 p.m.

Registration ends at 5:00 p.m., Friday, April 5. If you are unable to come in person, you may mail in your registration request. Processing will not begin until Wednesday and classes are not guaranteed.

FEES

Friday, April 19 – A \$5 registration fee plus prorated technology fee is due. The Registration Fee is non-refundable if you register for a course and later withdraw.

¹Technology Fee listed separately, but already included in the total tuition.

²Does not apply to the Doctor of Pharmacy program.

³For the purpose of assessing tuition, a law student is any student solely pursuing the Juris Doctor degree. Visiting law students will be considered law students for tuition purposes. Students solely pursuing graduate degrees in the School of Law (i.e., degrees other than the Juris Doctor degree) pay graduate tuition. A student concurrently pursuing the Juris Doctor degree and a graduate degree (concurrent law student) will be assessed the law tuition rate for all credits taken in a quarter when six or more credits are in School of Law courses.

⁴A student concurrently pursuing a medical degree and a graduate degree will be assessed the medical tuition rate for all credits taken in a quarter when 6 or more credits are in School of Medicine courses.

⁵Continuing and returning Professional Accounting and MBA students will receive a partial waiver of the operating fee.

Tuition charges are based on your student classification (e.g. undergraduate, graduate, or professional) and not on course level.

Fees listed do not apply to students registered through University Extension. See the University Extension Bulletin for their fee structure.

TUITION/FEE BILLINGS AND DEADLINES

It is your responsibility to see that tuition is paid in full by the tuition due date (April 19). Bills are sent at the beginning of each quarter (April 1) to facilitate payment. However, FAILURE TO RECEIVE A TUITION BILL DOES NOT NULLIFY YOUR RESPONSIBILITY FOR PAYMENT BY THE DUE DATE. Account balances are available through MyUW or STAR (transaction 11#).

Bills are also sent periodically during the quarter for fees assessed after the beginning of

the quarter. However, YOU SHOULD NOT RELY ON SUCH BILLINGS TO MEET PAYMENT DEADLINES, since balances are available from MyUW and STAR.

Select your permanent or local address on MyUW or STAR for fee statement mailing. If you have not received a fee statement by April 12, contact Student Fiscal Services, check MyUW or STAR for the amount of tuition due.

You may pay your fees in person in Student Fiscal Services or mail them to UW, Student Fiscal Services, 129 Schmitz Hall, Box 355821, Seattle, WA 98195-5821, on or before April 19. Checks and money orders must be in U.S. dollars and drawn on U.S. or Canadian banks.

If you fail to pay by the deadline you will be charged a late fee. For past due balances over \$250, the late fee is \$120; for past due balances between \$50-\$250, the late fee is \$50; and if the

STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after April 7 will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures and Refunds)

Tuition is due April 19.

Charges incurred after the tuition due date must be paid in 1-3 days. (See Tuition/Fee Billings and Deadlines.)

The penalty for late payment of tuition has increased to \$120.

Student Insurance & Special Fees

balance is less than \$50, there is no late fee. You may also pay electronically from your bank account using MyUW (myuw.washington.edu).

TUITION AND FEE CHARGES INCURRED AFTER APRIL 19 MUST BE PAID WITHIN THREE WORKING DAYS. Exception: beginning June 7, charges must be paid by the next business day. Always check your account status and balance on MyUW or STAR when completing a registration transaction.

Tuition and fees not paid by the end of the academic quarter (June 7) will be subject to an interest charge of 1% per month, or fraction of a month (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

The Controller is authorized to place Holds on the record of any student who fails to pay amounts due the University. Until the Hold is cleared, the University (1) does not release the student's records, (2) does not release transcripts or certified records, and (3) denies registration.

TUITION FORFEITURES AND REFUNDS

Only partial tuition reductions will result for courses dropped after April 7. You will be expected to pay one-half of the tuition associated with any course dropped between April 8 through April 30. Courses dropped after April 30 receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceed 18 credits are charged the same as above. Also, if you drop a course after April 30 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

a. If you withdraw before April 8, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before April 8 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.

b. If you withdraw April 8 through April 30, you will continue to owe one-half of your tuition. If you withdraw after April 7, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than April 19 to have the fee waived. There will be no U-PASS refunds after April 19.

c. If you withdraw after April 30, you will continue to owe full tuition.

d. If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office, 4909 25th Avenue NE, on the second floor of the King Building, at the same time you withdraw from the University.

e. If you drop any classes April 8 through April 30 that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours. A drop after April 30 will not lower tuition.

f. Course drops become effective the date received and processed on MyUW or STAR, in the Registration Office, 225 Schmitz Hall, or through the departmental registration screen used in academic departments.

g. You may petition forfeitures for extenuating circumstances (death, disability, etc.) through Student Fiscal Services.

WITHDRAWALS & REFUNDS FOR AID RECIPIENTS

If you are a financial aid recipient and withdraw from all your classes, your refund of University charges will be returned to the financial aid programs. The proportion of aid returned is based on the number of days remaining in the quarter. No funds will be returned after 60% of the quarter has elapsed.

The refund of University charges will be credited to your aid programs in the following order up to the amount you received for that quarter: Federal Direct Unsubsidized Stafford/Ford Loan, Federal Direct Subsidized Stafford/Ford Loan, Federal Perkins Loan, Federal Direct Parent Loan for Undergraduate Students, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, other Title IV aid programs, Washington State Need Grant, institutional aid, private scholarships. If any refund remains after crediting these accounts, the balance will be refunded to you.

Please be aware that if you withdraw from all classes within the first 60% of the quarter, you may owe immediate repayment of aid you received (except Direct Loans and Perkins Loans which are payable according to the terms of the promissory note). Contact the Office of Student Financial Aid, (206) 543-6101, if you have any questions.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by paying in person to Student Fiscal Services at 129 Schmitz Hall.

Student Insurance and Special Fees

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan that students may purchase. Detailed information is available in a brochure available at the Hall Health Primary Care Center, the HUB, and the Registration and Student Insurance Offices in Schmitz Hall. Plan benefits, costs, and the insurance underwriter may change from year to year, so students are encouraged to pick up and review the brochure carefully.

Seattle campus UW students are eligible to enroll in the plan. Not eligible are UW Seattle nonmatriculated students, students enrolled in programs administered by Educational Outreach (except Evening Degree Program students) or at the Bothell or Tacoma campuses, and UW faculty/staff or Washington state employees attending classes under the employee tuition exemption program.

Enroll yourself and eligible dependents on MyUW or by calling STAR through the seventh calendar day of the quarter. You must sign up, change, or cancel your insurance selection through MyUW or STAR or in person at Student Fiscal Services by the seventh calendar day of the quarter. If you do not cancel or change the plan, you will be considered enrolled in it and will be required to pay the premium for the plan selected. You may not cancel your insurance by not paying the premium.

The premium is billed with your tuition and must be paid by the tuition due date. Failure to pay the premium by that date will result in subsequent notices being sent and may result in a hold being placed on your records. Financial Aid will pay the insurance premium automatically in most cases, but you should check the conditions of your aid and whether it is sufficient to pay all required charges, including the insurance premium.

If you are an international student, you must

subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each autumn quarter (or upon initial admission if other than autumn quarter) because waivers are valid only through summer quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers as necessary.

For those graduate students who are eligible for Graduate Appointee Insurance, choose the "no insurance" option when registering on MyUW or STAR. If you have questions regarding your eligibility for this plan, please contact your department. International graduate appointees, however, must still choose the quarterly student insurance option when registering. If you are an international RA, TA, or SA, the system automatically makes adjustments so that you do not have double coverage. If you are an international fellow or trainee, please contact your department for further instructions.

This is a one-year policy. You may purchase the plan on a quarterly or "annual" basis (e.g., "annual" at autumn is four quarters, "annual" at winter is three quarters). You must be registered during the quarter the plan is purchased (e.g., if you are not going to attend summer quarter, sign up spring quarter for "annual" coverage to have insurance spring and summer quarters).

Current rates are available online at www.washington.edu/students/ovpsa/insurance.html.

INSURANCE EFFECTIVE DATES

This is a one-year policy. You may purchase the plan on a quarterly or "annual" basis. You must be registered during the quarter the plan

is purchased (e.g., if you are not going to attend summer quarter, sign up spring quarter for "annual" coverage).

SPECIAL FEES

AFFORDABLE TUITION NOW!

Affordable Tuition Now! is a grassroots student advocacy group dedicated to keeping the UW affordable. ATNI opposes large tuition increases, and lobbies the legislature for improved financial aid and expanded access to higher education. Contact ATNI at students.washington.edu/tuition. You may choose to support ATNI by contributing \$2 each quarter. Support of ATNI may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

QUARTERLY TECHNOLOGY FEE

This fee is to recover, in whole or in part, the costs of providing and maintaining services to students that include, but need not be limited to the following: access to the Internet and World Wide Web, email, computer and multimedia work stations and laboratories, computer software, and dial-up telephone services. Part-time students (those paying less than full-time tuition) are charged on a pro rata basis. The fee will be included on the Quarterly Tuition billing.

SERVICES AND ACTIVITIES FEES

As part of tuition, students pay the Services and Activities Fee which funds a variety of student services, including ASUW and GPSS, the Daily, Hall Health Center, Recreational Sports (IMA), Student Legal Services, Childcare Assistance Program, and Ethnic Cultural Center/Theater.

SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs. Some departments do not charge auditors these fees.

Most course fees will be included in your quarterly tuition bill. Dropping a course with a course fee after the first week of the quarter will not remove the fee from your balance owed. Any adjustment to course fees after the first week of the quarter must be handled with the academic department offering the course.

STUDENT ID (HUSKY CARD)

The student ID card is a permanent, laminated card. Once obtained, do not discard it.

If you are a new student, you are eligible for a student ID card once you've paid the Enrollment Confirmation Deposit. Bring a piece of standard photo identification – this is mandatory – to the Student ID Card Center at 225 Schmitz Hall between 8 a.m. and 5 p.m., Monday through Friday.

The standard UW student ID card is a non-photo card; however, students living in the dormitories (except for Stevens Court, Commodore-Duchess, and married student housing residents) will be issued a photo student ID card, for reasons of dormitory security.

A quarterly validation sticker is mailed to you with your Registration Confirmation. When it arrives, affix it to the front of the ID card in the location provided; without this sticker, the card is usually not honored on campus.

You should carry your student ID card with you whenever you come to campus. Many administrative transactions and campus services and facilities are not available to you without it. In some situations, you may also be asked to provide an additional piece of photo identification.

Never allow anyone else to use your student ID card, as such misuse will subject you to disciplinary action as described in the Student Conduct Code.

If you lose your student ID card, you should immediately make two phone calls, one to the ID Card Center at (206) 685-4120 to report it as lost, and also to the UW library system at (206) 543-2553. To replace the card, go to the Student ID Card Center with photo identification; a non-refundable \$5 fee is charged for replacement of non-photo cards, \$10 for photo cards.

If you lose three or more ID cards, you must schedule an interview with a registrar before a new card will be issued.

ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in 204L Student Union Building (HUB). You may join ASUW when registering on STAR.

DEGREE AUDITS

Degree audits show your progress toward your intended degree. These helpful audits (for all undergraduate majors) can be ordered and viewed on MyUW. Additional information about the Degree Audit Reporting System (DARS) can be found at (www.washington.edu/students/reg/dars/).

U-PASS INFORMATION

In addition to biking and walking, using the U-PASS is the best way to get to campus. The U-PASS provides free trips on all Metro, Community Transit, and Sound Transit regular routes; free parking to those who ride together; free trips on the Night Ride; discounted vanpool fares; and merchant discounts. The U-PASS validation sticker is mailed with your registration confirmation each quarter and the \$33 fee is included in the tuition bill. The low quarterly fee is possible since the university subsidizes a portion of the actual cost. If you do not wish to participate in the U-PASS program you must return the U-PASS sticker to the University by the tuition payment deadline (April 19). The sticker can be returned by mail in the return envelope provided, mailed with your tuition payment, or returned in person at the Student Fiscal Services Office or the Registration Office.

If you withdraw through April 7 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. If you withdraw after April 7, you will be charged the applicable tuition and may retain the pass for \$33 or return it no later than the tuition due date (April 19) to have the \$33 fee waived. There will be no U-PASS refunds after the tuition payment deadline (April 19), and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through April 5. Replacement stickers issued after April 5 (for any reason) will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee for photo IDs), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$33 U-PASS fee (or the \$75 fee if you have withdrawn) by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz Hall, anytime during the quarter. The fee will remain \$33 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. The U-PASS program, replacement policies, and quarterly fee are subject to change without notice.

TRANSCRIPT (UNIVERSITY OF WASHINGTON)

You may order an official transcript in person at the Transcript Office or by writing to that office. The cost is \$4 per copy. Payment may be made by check, Visa, or MasterCard. To order a transcript in person, come to the Transcript Order Window, 225 Schmitz Hall. Requests by mail should be sent to:

Transcript Office Box 355850
Seattle, WA 98195-5850

Be sure to include your name, student number, Social Security number, date of birth, and approximate dates of attendance, to ensure the staff can correctly identify your record. All requests must include your signature.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WashPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit, and non-partisan research organization that works on issues affecting the quality of life in Washington state. Students participate in WashPIRG as decision makers, volunteers, and credit interns producing research reports, lobbying the legislature, and organizing students and citizens around consumer, environmental, and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

STATE SUPPORT

The State of Washington provides financial support to students attending the University of Washington. An estimate of annual financial support in 2001-2002, for both educational costs and financial aid, has been calculated by the Higher Education Coordinating Board and is provided below for average, full-time students.*

| | Resident | Nonresident |
|---------------|----------|-------------|
| Undergraduate | \$5,331 | \$5 |
| Graduate | \$15,948 | \$7,448 |

* Excludes Dentistry, Law, and Medicine professional students.

Notices and Services

DISABLED STUDENTS

If you are a student with a disability, various support services, including priority registration, note taking, and examination accommodations are available. You may contact Disabled Student Services (DSS), 448 Schmitz Hall, (206) 543-8925 voice/TDD, for information on academic accommodations designed to meet individual student needs.

The STAR Worksheet and instructions are available from DSS in alternate media, including large print, tape recording, and Braille. If you have a disability that limits your ability to use STAR, you may register through DSS.

EMAIL

Once you have set up your UW NetID, your email account will be activated within two days. See instructions under UW NETID in the REGISTRATION section (page 7).

EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam Era Veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the

Notices and Services

University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, Box 354560, 4045 Brooklyn Ave. NE, Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or autumn quarter 1994 are 63.2% in 5 years and 68.7% in 6 years.

IMMUNIZATION

All new and returning former students, and all students living in University of Washington residence halls or single-student apartments, are required either to provide proof of measles (rubeola) immunity or request that the requirement be waived for religious, personal, or medical reasons. The Measles Immunity Verification form is mailed with the offer of admission or registration notice to all new and applicable returning students. You will not be allowed to register for any classes until the Hall Health Primary Care Center (the student health center on campus) confirms that you have satisfied this requirement.

You must complete the student health center's Measles Immunity Verification Form and provide either certifications by your health-care provider or copies of original immunization records as proof of: (1) two live virus measles (rubeola) vaccinations, both given after 1967 with at least one given after 1980; or (2) positive measles (rubeola) titer (blood test for antibodies against measles); or (3) a history from a health-care provider of measles (rubeola) disease. Students born before 1957 are considered immune to measles.

While continuing students are not required to provide the Hall Health Primary Care Center with proof of measles immunity, they are encouraged to do so. In the event of an outbreak on the campus, all students lacking acceptable documentation of measles immunity, including students with waivers, will be barred from classes, living groups, and other campus activities until health officials determine that there is no risk of them transmitting the disease to others. Measles Immunity Verification Forms are available at the Hall Health Primary Care Center and the Registration Office at 225 Schmitz Hall. For more information, students should contact the Hall Health Primary Care Center at (206) 616-4672 and leave voicemail messages to which members of the nursing staff will respond.

RELEASE OF STUDENT DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. Information release forms for tuition account information only may be obtained from Student Fiscal Services, 129 Schmitz.

The following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, email address, major field of studies, dates of attendance, full- or part-time enrollment status, most recent previous educational institution attended, degrees and awards received, as well as notices of awards or academic honors to home town newspapers, and for athletes, date of birth, weight, and height.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory you may restrict the release of this information using the Change of Address option in the Student Personal Services section of MyUW or by calling the address change service at (206) 543-3868. No information will be released on students or to students, who have restricted release of directory information. If you wish to change your authorization and allow release, you must go to the Registration Office, 225 Schmitz and present photo identification or make the change via MyUW.

Under the provisions of FERPA, you have the right to:

1. Inspect and review information contained in your education records within 45 days of the day the University receives a request for access. You should submit to the registrar, dean, chair of the academic department, or other appropriate official, written requests that identify the record(s) you wish to inspect. The University official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise you of the correct official to whom the request should be addressed.

2. Request the amendment of your education records that you believe are inaccurate or misleading. You should write the University official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested, the University will notify you of the decision and advise you of your right to a hearing.

3. Consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, and academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. File a complaint with the Department of Education concerning alleged failures by the University of Washington to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington D.C. 20202-4605.

SEXUAL HARASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

- ♦ Ombudsman for Sexual Harassment, (206) 543-0283.
- ♦ UW Complaint Investigation and Resolution Office, (206) 616-2028.

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

VETERAN'S INFORMATION

Veterans, as well as the dependents of deceased or totally disabled veterans, may contact the Office of Special Services, 460 Schmitz Hall, Box 355835, Seattle, WA 98195-5835, telephone (206) 543-6122, for information regarding VA educational benefits. Tuition reductions may be available for Washington residents who served in the Southeast Asian or Persian Gulf combat zones, children of POWs or MIAs, and nonresident active duty military personnel and their dependents stationed in Washington.

The Spring Quarter Examination Schedule is also available from the UW homepage (www.washington.edu/students/reg/calendar.html).

- ♦ Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.
- ♦ Students are responsible for taking any number of examinations for which they are scheduled on a given day.
- ♦ Final examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

Final Examination Guidelines

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter,

the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in University-sponsored activities such as debating contests or athletic competition.

4. Multiple section courses, courses with two or more lecture or lab sections in a given quarter, may schedule a common final with approval from the dean and the Registrar. Common finals will usually be held the Saturday before or during finals, or on occasion in the evening.

Common final dates and times are normally indicated in the comment section of the Time Schedule, under individual course listings. They will be announced at the beginning of the quarter in each course section, and included in the course syllabus. The times for common finals differ from the times shown in the above examination schedule. A make-up examination time is to be arranged for any student who cannot be present for a common final.

5. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at 8:30 a.m. and continues until 10:00 a.m. or 10:20 a.m. would use the 8:30 a.m. time to determine the examination period.

6. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.

7. Daytime classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

8. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

9. Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, (206) 543-1080.

Recreational Sports

Recreational Sports Programs Spring 2002

SPORTS SKILLS INSTRUCTION

Instruction in a variety of sports is available through the Department of Recreational Sports Programs at the Intramural Activities Building (IMA) on a non-credit basis. Class time schedules and their fees will be available at the IMA after March 4, 2002.

The following is a list of tentative classes. These classes are subject to change depending on enrollment and space availability. Contact the Sports Skills Office at (206) 543-2571 for more information, or email ima@u.washington.edu. Also, check out our homepage at depts.washington.edu/ima/.

ELIGIBILITY FOR CLASSES

Spring quarter UW students. Faculty/staff who have purchased an IMA Membership Card (\$36).

REGISTRATION

In person only. Takes place April 9, 10, and 11, from 7:45 a.m. to 6:00 p.m. in the Intramural Activities Building (IMA), Meeting Room A/Lobby. Registration continues after these dates if space is still available (8:00 a.m. to 5:00 p.m.). Bring your validated student ID card (Husky Card) or IMA Membership Card (faculty/staff) and pay (cash or check) when you register. Register throughout the quarter at the Golf Range for all golf classes, (206) 543-8759.

INTRAMURAL SPORTS

Intramural Sports provide an opportunity for students, faculty, and staff to participate in special events, leagues, and tournaments in various sport activities such as crew (rowing), soccer, softball, tennis, ultimate frisbee, and 4-on-4 volleyball. Registration information will be available at the end of February in the Intramural Sports Office, IMA Building. Players looking for a team are encouraged to sign-up on the free agent roster in the Intramural Sports Office.

The Intramural Sports Program also offers employment for students as officials for softball and soccer. Interested students are encouraged to attend the officials orientation meeting on Tuesday, April 2, 4:30 p.m. in the IMA Building, Meeting Room A.

For further information, call the IMA Sports Line at (206) 543-8558, daily between 12 noon and 8:30 p.m., email ima@u.washington.edu, or visit our Web page at <http://depts.washington.edu/ima/>.

Part-time employment is available to students in all areas of Recreational Sports Programs. Student jobs include sports officials, lifeguards, first aiders, ID checkers, locker room attendants, golf range attendants, Waterfront Activities Center (WAC) attendants, sports skills instructors, and program assistants. Applications are available at the IMA, Golf Range, and WAC, or call (206) 543-4590 for a current list of openings. Also see IMA's Web page at depts.washington.edu/ima/.

ATTENTION SPRING QUARTER 2002 STUDENTS

Spring quarter students not registered for summer quarter may use the IMA Building during summer quarter upon purchase of either a quarterly IMA Membership Card or a Single Use Ticket (good for one use).

Membership privileges may be purchased beginning Tuesday, May 28, 2002, and are valid for use through the beginning of autumn quarter. You may purchase your card in the IMA Administration Office, from 8:00 a.m. to 4:30 p.m., Monday through Friday, or in the Intramural Sports Office after 4:30 p.m., Monday through Friday, and all operation hours on Saturday and Sunday.

Single Use Tickets may be purchased at the front entrance to the IMA Building beginning Saturday, June 22, 2002.

Remember, you must retain your spring quarter student ID card to purchase summer quarter IMA membership privileges.

With UW Distance Learning courses, you can study at your own pace, in your home, for credit or personal enrichment. You can enroll anytime in UW Distance Learning courses. Teachers can use unlimited UW Distance Learning credits for certification and endorsements.

How to Register

Complete the registration form on the page following the course listing. If you prefer to register by telephone and have a MasterCard or VISA, call 206-543-2310 or 1-800-543-2320 between 8 a.m.-5 p.m. Monday through Thursday and 9 a.m.-5 p.m. Friday. Voice mail is available all other hours. To request a UW Distance Learning catalog, call 206-543-2320.

Fees

The cost of noncredit courses is shown with the course information. Undergraduate credit courses cost \$128 per credit; graduate courses are \$282 per credit. Credits are shown in parenthesis after the course title. All students pay a nonrefundable \$30 registration fee each quarter that they register. Any supplemental fees for tapes (T), readings (R), lab kits (L) and videos (V) are shown at the end of each course listing. In addition, most courses require the purchase of textbooks from the University Book Store.

Refunds

If you withdraw in writing or in person within 15 calendar days of registering, you are entitled to a full refund minus the quarterly registration fee. If you withdraw in writing or in person within 30 calendar days of registering, you are entitled to a 50 percent refund minus the quarterly registration fee. Fees paid by check take longer to be refunded than fees paid by credit card. You may request to withdraw after the first month, but no refund will be made.

Complete Your Undergraduate or Graduate Degree in the Evening

A UW adviser is ready to help you.

As a matriculated UW student, becoming an evening degree student is as simple as changing your major. Please contact an evening degree adviser at 206-543-6160 for more information. Advisers are available for appointments Monday through Thursday until 7 p.m., and Friday until 5 p.m.

Choose from 12 undergraduate majors

Choose one of 12 UW Evening Degree Program majors to complete your undergraduate study:

- **Anthropology**
- **Business: With tracks in marketing, management and general business.**
- **Communications**
- **Computing & Software Systems**
- **English**
- **Health Information Administration**
- **History**
- **Humanities: Including tracks in interpretation and communication; and literature, arts and culture.**
- **Political Science**
- **Psychology**

- **Social Sciences: With tracks in social and environmental issues; law, politics and the economy; and gender, ethnicity and culture.**

An evening degree is the same as a degree earned during the day

There is no difference between an evening degree and a degree earned during the day. There is no notation on the degree indicating it was earned in the evening. Evening degree classes meet on the Seattle campus. Many instructors who teach evening degree courses are full-time UW faculty.

Learn more about the undergraduate majors

Attend an open house on Thursday, April 11, 5-7 p.m., in Kane Hall, Walker-Ames Room, on the UW campus, Seattle.*

Evening degree advisers will be available to answer questions about admission requirements, student services, and the curriculum. You may also attend an informal question and answer session the second Thursday of every month on the UW campus, or schedule an advising appointment. For details about the monthly information session and advising, please call 206-543-6160, or visit www.evedegree.washington.edu

UNIVERSITY OF WASHINGTON

immerse yourself Summer Quarter

Make progress toward your degree

The University of Washington offers one of the nation's largest summer programs, including many high-demand courses that are difficult to get into during other quarters. Shorter four-and-a-half-week courses are available to accommodate students with summer jobs.

Get the classes you need

Class size is typically smaller during Summer Quarter, and with fewer students registering, you're more likely to get the classes you need. Summer enrollment is especially appropriate for seniors who lack credits for graduation, for juniors planning to graduate in June 2003, and for incoming freshmen who want to get a head start on their studies. (If you can't attend summer classes, you can earn credits through UW Distance Learning.)

A special time to learn

More than 1,600 summer courses are offered, including many classes and workshops scheduled only in the summer. Some classes open only to majors in other quarters may be taken by nonmajors in the summer. You can earn up to a year's language credit in nine weeks by completing an intensive summer language course.

Attend one or more sessions

- June 24-Aug. 23 Full Term
- June 24-July 24 a Term
- July 25-Aug. 23 b Term

It's easy to register

Continuing UW students who complete Spring Quarter 2002 (or Winter Quarter 2002) register by STAR, the same way as for any other quarter. For more information, see www.summer.washington.edu and the *Summer Quarter Bulletin and Time Schedule*, which is mailed to all UW undergraduates.

"My physics
